A Place Called Paradise Ray Drayton

Olivia is raised by her grandparents on a stud farm high in New Zealand's Southern Alps amidst splendid isolation and natural beauty.

It is a place where she has difficulty discerning between the magical dream world of her childhood and the nightmare relentlessly pursuing her during adolescence and adulthood..

A work experience trip to London's fashion garment industry goes horribly wrong - plunging Olivia into a drug and alcohol fuelled madness, robbing her of sanity, very nearly destroying her.

During her darkest hours, a gypsy family take Olivia to their camp deep in The New Forest. They nurse her back from the depths of despair and a self induced insanity haunting her every waking moment.

'WILL THE MAGIC RETURN??'

It is a question that plagues Olivia continuously.. She knows there is a price to be paid first- but is the price too high?

The answer lays deeply hidden in the most unlikely place...within herself.

THE MAGICIAN AND THE MAGIC ARE ONE AND THE SAME
