Beyond The Obvious: Bringing Intuition into our Awakening Consciousness Christine Page

Intuition is our wise, compassionate friend who helps us to clarify decisions, to avoid unpleasant situations and to access the deeper levels of awareness. But beyond this, the intuition awakens us to ourselves, leading us on a journey of enlightenment until we eventually merge with our essential being.

The various stages of the pilgrimage are reflected in stories from the author's own life and encourage us to expand our consciousness from the state of "hoping", through the phase of "believing" until we experience the undeniable "knowing".

Following many years of fulfillment in the caring professions, Dr Christine Page has become a highly respected international teacher bringing her inspirational talents to the psycho-spiritual field.
