Circle of Three Patricia Gaffney

“Gaffney’s characters are appealing and realistic...Readers will race through this book.”

—*New Orleans Times Picayune*

“Poignant...Entertaining....As good as it gets.”

—*New York Post*

No other author writes about the lives and friendships of women with more warmth and grace than *New York Times* bestseller Patricia Gaffney. A true master of women’s fiction, with *Circle of Three* she flourishes the same breathtaking characterization and storytelling skills that made her previous novel, *The Saving Graces*, a readers’ favorite. The story of a woman grieving for her losses and her life, and her relationship with her overbearing mother and precocious young daughter, *Circle of Three* focuses on three generations of a troubled family, the anger and misunderstanding that separates them...and the love that holds them together. Gaffney does beautifully what Elizabeth Berg, Anne Rivers Siddons, and Anne Tyler also do so well: exploring the tricky bonds of family in novels both heart-soaring and heartbreaking.
