False Allegations Andrew Vachss

Burke--ex-con, mercenary, sometime killer--makes his living preying on New York's most vicious predators and avenging their innocent victims. But in Andrew Vachss's mercilessly suspenseful new novel, Burke finds himself working the other side of the street, where guilt and innocence are as disposable as the sheets in a Times Square hotel--and as dirty.

Burke's new employer is Kite, a fanatical crusader who specializes in debunking "false allegations" of child sexual abuse. Kite has a case that may be the real thing, but needs Burke to tell him if it is. And if mere money can't persuade Burke to cooperate, Kite has plenty of other incentives at his disposal--including a fanatical bodyguard with a taste for corsets and brass knuckles. A tour guide to hell written in icy prose, *False Allegations* is Vachss at his most unnerving.
