From Rhodesia to Zimbabwe: The Politics of Transition Henry Wiseman, Alastair M. Taylor

From Rhodesia to Zimbabwe: The Politics of Transition studies the last phase of the transfer of power from illegal white minority control to freely elected majority rule in Zimbabwe.

This book is divided into five chapters; the first of which describes the transition from Lusaka to Lancaster, including subtopics on the issues and results of commonwealth and constitutional conferences. This text then describes the implementation of the Lancaster House Agreement and the Monitoring Force. A chapter discusses the significance of the accredited observers in transitional process and the elections. This text ends with the general observations on the transition process.

This book will be interesting to historians, academicians, public administrators, and students of politics.
