A mysterious monster is terrifying everyone at Lake Lovell when ten-year-old Karen Kimball arrives at swim camp. Karen discovers secrets of the lake as she develops her abilities to see and hear things others can't... talking with animals and spirits, affecting other peoples' thoughts, and flying to hidden places. Will Karen master her newfound abilities in time to save the camp and her friends?

*"Cynthia Sue Larson tells us that she wrote the kind of book that she always wanted to read growing up, but wasn't available. It combines the mystery of a Nancy Drew with the metaphysical derring-do of a Harry Potter book--all into one. And it succeeds. This book would make a good movie for kids of all ages." -- Alijandra*
