La ciudad prohibida (Spanish Edition) Anchee Min

La historia de Orquídea, una joven de familia aristocrática venida a menos que, gracias a su belleza y talento, se convertirá de simple concubina en la última emperatriz de China.

A finales del siglo XIX la dinastía Qing está viviendo sus últimos días. La habilidad política de los antiguos emperadores se ha diluido en el arcaísmo de las estructuras de gobierno y las ambiciones colonialistas europeas. Solo el esplendor de la corte de Pekín conserva el atractivo de la antigua China imperial.

Este es el paisaje que sirve de telón de fondo a la historia de Orquídea, una joven de diecisiete años perteneciente a una familia aristocrática venida a menos que, gracias a su belleza y talento innatos, y a un gran poder de seducción, se convertirá, de simple concubina, en la última emperatriz de China.

Apoyada en una recreación meticulosa y fiel de la China imperial, *La ciudad prohibida* es el relato de una ambición condenada por la historia y el cautivador fresco de un mundo desaparecido.

Reseña:

«Min, superviviente de la Revolución Cultural china, ha realizado una prodigiosa búsqueda de documentación para capturar los gloriosos y desesperanzados últimos días de la dinastía Qing.»
