Losing Your Religion: Moving from Superficial Routine to Authentic Faith Chuck Bomar

Many Christians feel as if something is missing in their relationship with God. They long to find an in-depth, authentic relationship with God. Instead, many believers find themselves living out a results-oriented "behavior management system" of spiritual growth. Unfortunately, rather than leading to an intimate relationship with God, this behavior-based system does just the opposite. It produces an unsatisfying life full of inner turmoil and doubt as Christians wonder whether or not they will ever experience the deeply satisfying life Jesus promised. Chuck Bomar calls this the "elephant in the room" that nobody seems to talk about but everyone struggles with. As the pastor of a church embraced by millennials and young families, and a long-time leader of seminars that help pastors reach this "lost" generation, Chuck is uniquely qualified to write this book.
