**HELL HATH NO FURY...**

At first glance, most see only a shy girl from New York, but to the denizens of the night -- vampires, witches, and their ilk -- I am a nightmare given flesh, born to raze their kind from this very Earth. I am the Icon, the Shining One, the last defender of humanity against the oncoming tide of darkness.

Where most see only a shy girl from New York, the denizens of the night -- vampires, witches, and their ilk - - see a nightmare given flesh, born to raze their kind from this very Earth. I am the Icon, the Shining One, the last defender of humanity against the oncoming tide of darkness.

They say my coming was foretold, that prophecies speak of a beacon of hope who will light the way during the end days. It is said I am destined to vanquish the last of the Magi, and face the Night Spawn in the final battle for the fate of mankind.

*If only things could be so easy.*

Despite all my power, I am afraid. And if I can't conquer my fear, face my demons, and overcome the feelings I have for a man I must destroy, then I shall be utterly consumed ... and the world will know endless suffering for my failure.

-----

Shining Fury - the story of the Icon, bane of the vampire nation - is the second companion piece to the bestselling Tome of Bill saga. If you like hard-hitting action and adventure, then you'll love Rick Gualtieri's latest installment in this urban fantasy series with a nasty overbite.

*Series note:* this story takes place concurrent with the events of The Wicked Dead.
