Visions of Zion

Alexander B. Morrison

Visions of Zion Alexander B. Morrison

Elder Morrison discusses earthly Zions, those that succeeded and those that failed. He reveals the basic things that caused the failed attempts at Zion societies in this dispensation and uses the scriptures and words of the prophets to support his discussion of overcoming these failures. He thoroughly covers essential attitudes and behaviors to becoming pure in heart, preaching pure principles, taking care of the poor, and being stewards over earthly blessings. Elder Morrison offers hope that a Zion-like attitude in heart and mind is attainable as we do our best to come unto Christ--willingly, humbly.
