Autobiography of a Wardrobe

Elizabeth Kendall

Autobiography of a Wardrobe Elizabeth Kendall

Saddle shoes. Camp shorts. Girdles. Bell-bottoms. Each plays a significant role as we follow B., the wardrobe's owner, through her buttoned-up Midwestern childhood to the freedom of miniskirts, sundresses, and New York City. We watch as B. copes with the untimely death of her mother, makes a go of glamorous magazine work, and, after the inevitable false starts and fashion missteps, finally comes into her own. Part memoir, part fashion and cultural history of the last five decades, **Autobiography of a Wardrobe** is an exploration of the clothes each generation has embraced and the smallest details in which we are able to seek comfort and meaning.

From the Trade Paperback edition.
