You're at the top—but never alone!

Take the leap and connect with other educators and leaders through social media. Educators learn to transform relationships with their students, staff, parents, and with the overall community in this simple guide to social media. With real-life examples from K12 educators who've integrated social media technology and education, this guide helps educators to harness the power of connectedness and change the way you lead. Jump in and you'll learn how to:

- Develop a personal learning network
- Tell your school's story through blogging
- Use connections to transform your leadership
