Kurt Vonnegut

Cuna de gato (Spanish Edition) Kurt Vonnegut

En este libro nada es cierto. Jonás (o John) se propone investigar qué estaban haciendo los norteamericanos más destacados el día en que se arrojó la bomba en Hiroshima. Las cartas que intercambia con el hijo menor del doctor Felix Hoenikker –uno de los padres de la bomba atómica– lo zambullen en una intriga familiar que oculta la más terrorífica contribución de la ciencia a la humanidad: el hielo nueve. Las respuestas a todas las preguntas están en una isla del Caribe, la república de San Lorenzo, donde el bien y el mal se reparten entre un dictador demente, un genio impasible, una diosa del amor y el fundador del bokononismo, una religión profética y absurda. A Jonás le tocará aprender algo sobre el poder, el horror y la estupidez humana, y sobre las mentiras que nos contamos mientras esperamos el fin del mundo. Eterno escritor de culto, cómico, irreverente y genial, Kurt Vonnegut es una de las figuras insoslayables de la literatura del siglo XX y Cuna de gato, una de sus novelas más celebradas.
