The average cost of an uncomplicated patent application filing is about \$10,000. This high cost can leave thousands of inventors out in the cold. *Filing Patents Online: A Professional Guide* is a complete manual that walks inventors through each step of filing and prosecuting the patent online at a fraction of the cost. The online filing system recommended in the book allows continuous monitoring of the review status and for a much faster approval than the traditional route. Drawing from the many years of the author's experience as both an inventor and a patent agent, this guide teaches the methods of research, planning, and the art of writing winning claims that will result in commercially valuable patents.
