Data Collection by Dalhousie, Dr. Donna L.

Patient 331

New, confused. Powers unknown.

Patient 289

No longer viable in the test pool, he remains in isolation.

Patient 77

Reclassified to staff status. Useful, malleable.

Confined in a sterile research facility and treated like a lab rat, Chris is alone and terrified. His special powers are his only escape, allowing him to psychically connect with other patients.

Alone in his cell for longer than he can remember, Vance is hungry. When newcomer Chris makes a mental connection, Vance is intrigued and wants more than just conversation.

Chris and Vance seek comfort with each other, and with Simon--the only staff member who's shown them a hint of compassion. Their relationships develop during stolen moments, and they turn their thoughts to escape. But as Dr. Dalhousie's madness spirals, more than cell walls threaten to keep them apart...

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this In Darkness Bound (The Society) can make you feel more interested to read.
