As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally.
