David Schmahmann

The Double Life of Alfred Buber David Schmahmann

Winner! 2013 Award for Literary Fiction - Dactyl Foundation

As you can see, *The Double Life of Alfred Buber* is great fiction and a good book club pick. When you read this book, you will find it a splendid and absorbing original tale, beautifully crafted with fascinating characters, and a compelling read.

From award-winning novelist David Schmahmann, comes the highly-rated *The Double Life of Alfred Buber* . . .

In this splendid original tale, you will discover that although Alfred Buber is warm, smart, and romantic, his life is as barren as an ice floe, an embarrassing collage of successes and humiliations that add up to nothing. He lives as if he has landed in a strange country, nowhere he recognizes.

- Can an-oh-so respectable Boston lawyer, out of options, out of hope, lonely beyond measure, stray way outside the lines and find love?
- Can he step into the tawdry dark, and back into the wholesome light, and not be affected?

Alfred Buber thinks he can. But the line between his two lives is a thin one. The contradictions collide until Buber loses track of what is real and what is pretend, and then inevitably the two collide with ruinous consequences.

One of the best books of fiction to read! - **Just look at the reviews** . . .

". . . a **truly remarkable literary creation**. . ." - The New York Journal of Books

"The Double Life of Alfred Buber is an **original and sophisticated novel** which lingers in the mind. . ." - Dactyl Reviews

"**Exquisitely written, detailed, fiercely emotional** and yet completely cold and callous, *The Double Life of Alfred Buber* is a unique read that will settle around a reader like a cloying dust and linger, even after a long, hot shower, in the pores. . ." - Luxury Reading

Movie rights just optioned!

Even more praise . . .

"From the first page it is evident that Schmahmann has produced interior monologue of the first order . . . An interesting an eccentric companion, **5 Stars**." - Jim McKeown, KWBU, NPR

"An unusual morality play whose **artful style** veils the depravity of its protagonist." - Kirkus Reviews

"This book is **literary fiction at it's best** - taut, well crafted, lovely prose, thoroughly engaging, which draws you into the character's strange new world and leaves your reading landscape forever altered." - BookConscious

"The Double Life of Alfred Buber reads like a lost Nabokov novel. . .the prose is meticulously wrought, the plot deeply complex and psychologically layered. . ." - Small Press reviews

From reader reviews:

Lois Reyna:

What do you with regards to book? It is not important along with you? Or just adding material when you want something to explain what yours problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Every individual has many questions above. They have to answer that question due to the fact just their can do in which. It said that about e-book. Book is familiar in each person. Yes, it is correct. Because start from on guardería until university need this The Double Life of Alfred Buber to read.

Daryl Biddle:

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Double Life of Alfred Buber, it is possible to enjoy both. It is fine combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its named reading friends.

Wilhelmina Kane:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to spend your whole day by looking at a book. Ugh, you think reading a book can definitely hard because you have to bring the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Cell phone. Like The Double Life of Alfred Buber which is keeping the e-book version. So , try out this book? Let's notice.

Diane Welton:

What is your hobby? Have you heard which question when you got students? We believe that that question was given by teacher to the students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person similar to reading or as looking at become their hobby. You have to know that reading is very important and book as to be the matter. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You find good news or update in relation to something by book. Amount types of books that can you take to be your object. One of them are these claims The Double Life of Alfred Buber.
