*The Static* 'We all have sick thoughts. It doesn't matter what you think, it's what you do that counts. Trouble is, my thoughts do things. Don't believe me? Just watch.' Sparky is a bright but volatile 15-year-old boy on the brink of permanent exclusion from school. Then one day he falls under the spell of a seemingly psychic girl called Siouxsie and develops his own kinetic superpower. But will it save him or push him over the edge? *The Static* is a coming-of-age love story about what happens when our darkest dreams come true. *Blackout* 'A small room, bright lights, white walls, a metal door. Oh my God! Imagine you wake up in a jail cell and you don't know how you got there.' *Blackout* is the true story of a 15-year-old boy charged with attempted murder who tries to piece together the events in his life that have brought him into a secure care unit and threaten to keep him there. This short play packs a big emotional punch with its stylistic economy and razor-sharp storytelling. *The Static* was originally produced by ThickSkin for the Edinburgh Festival Fringe and UK tour 2012. *Blackout* was commissioned for NT Connections and produced by ThickSkin at the Edinburgh Fringe 2010, winning the Arches Brick Award and subsequently touring the UK.
