Alma Alexander

Empress Alma Alexander

"Empress", the latest novel in Alma Alexander's historical fantasy universe, leaves the shores of Imperial China-inspired Syai, the setting of her extraordinary and acclaimed "Secrets of Jin-shei" and its sequel, "Embers of Heaven", and takes the reader into a new world -- an alternate-history version of the empire of Byzantium.

In a city called Visant, a peasant's son is raised by his uncle into the patrician class, the aristocracy of the Empire. He takes a new name, Maxentius, and learns that survival means losing his innocence, and being willing to embrace opportunities as they are offered to him.

When he meets the one woman in the city whom he is forbidden to love -- a woman named Simonis, born in the underbelly of the city's Hippodrome, a dancer and courtesan and an accomplished spy -- he defies laws and custom by marrying her and crowning her Empress so that she can be at his side.

In the face of insurrection, political intrigue and disaster, they will rule an Empire. They are two halves that make one whole, a partnership that is as much an emotional soulmate bond as it is a pragmatic partnership between two immensely gifted people whose personalities and abilities complement one another perfectly. Their destiny lies together.

Based on the historical characters of Emperor Justinian and Empress Theodora, this is a grand, gorgeous, sweeping, utterly unforgettable vision of an already amazing tale. Readers of Diana Gabaldon and similar books will love getting lost in "Empress."

From reader reviews:

James Smith:

Book is to be different per grade. Book for children right up until adult are different content. As we know that book is very important for people. The book Empress had been making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The publication Empress is not only giving you a lot more new information but also to become your friend when you feel bored. You can spend your current spend time to read your guide. Try to make relationship with the book Empress. You never feel lose out for everything when you read some books.

Jimmy Miller:

The book untitled Empress is the book that recommended to you to study. You can see the quality of the e-book content that will be shown to anyone. The language that publisher use to explained their way of doing something is easily to understand. The author was did a lot of study when write the book, and so the information that they share to you personally is absolutely accurate. You also can get the e-book of Empress from the publisher to make you far more enjoy free time.

Robert Maas:

Empress can be one of your starter books that are good idea. All of us recommend that straight away because this e-book has good vocabulary that may increase your knowledge in vocab, easy to understand, bit entertaining however delivering the information. The author giving his/her effort to get every word into satisfaction arrangement in writing Empress but doesn't forget the main point, giving the reader the hottest as well as based confirm resource data that maybe you can be certainly one of it. This great information could drawn you into completely new stage of crucial considering.

Laura Thibodeau:

This Empress is great publication for you because the content that is full of information for you who always deal with world and have to make decision every minute. This particular book reveal it information accurately using great plan word or we can declare no rambling sentences within it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but challenging core information with lovely delivering sentences. Having Empress in your hand like obtaining the world in your arm, details in it is not ridiculous 1. We can say that no e-book that offer you world inside ten or fifteen minute right but this book already do that. So , this is good reading book. Hi Mr. and Mrs. active do you still doubt this?
