Even Monsters Need Haircuts Matthew McElligott

Just before midnight, on the night of a full moon, a young barber stays out past his bedtime to go to work. Although his customers are mostly regulars, they are anything but normal-after all, even monsters need haircuts. Business is steady all night, and this barber is prepared for anything with his scissors, rotting tonic, horn polish, and stink wax. It's a tough job, but someone's got to help these creatures maintain their ghoulish good looks.

Perfect for Halloween, this is a hilarious story about a boy who follows in his father's footsteps . . . in his own monstrously unique way.
