Linda Hutcheon

## **Irony's Edge: The Theory and Politics of Irony** Linda Hutcheon

The edge of irony, says Linda Hutcheon, is always a social and political edge. Irony depends upon interpretation; it happens in the tricky, unpredictable space between expression and understanding.

*Irony's Edge* is a fascinating, compulsively readable study of the myriad forms and the effects of irony. It sets out, for the first time, a sustained, clear analysis of the theory and the political contexts of irony, using a wide range of references from contemporary culture. Examples extend from Madonna to Wagner, from a clever quip in conversation to a contentious exhibition in a museum.

*Irony's Edge* outlines and then challenges all the major existing theories of irony, providing the most comprehensive and critically challengin theory of irony to date.
