**Island of Wings: A Novel** Karin Altenberg

**A dazzling debut novel of love and loss, faith and atonement, on an untamed nineteenth-century Scottish island.**

Exquisitely written and profoundly moving, *Island of Wings* is a richly imagined novel about two people struggling to keep their love, and their family, alive in a place of extreme hardship and unearthly beauty. Everything lies ahead for Lizzie and Neil McKenzie when they arrive at the St. Kilda islands in July of 1830. Neil is to become the minister to the small community of islanders, and Lizzie—bright, beautiful, and devoted—is pregnant with their first child. As the two adjust to life at the edge of civilization, where the natives live in squalor and babies perish mysteriously, their marriage—and their sanity—are soon threatened.

### From reader reviews:

#### **Catherine Acevedo:**

Book will be written, printed, or created for everything. You can know everything you want by a book. Book has a different type. As it is known to us that book is important thing to bring us around the world. Beside that you can your reading skill was fluently. A reserve Island of Wings: A Novel will make you to end up being smarter. You can feel far more confidence if you can know about everything. But some of you think which open or reading the book make you bored. It isn't make you fun. Why they can be thought like that? Have you searching for best book or acceptable book with you?

#### **Margaret Burman:**

What do you consider book? It is just for students because they're still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that question above. Every person has distinct personality and hobby for each other. Don't to be pushed someone or something that they don't need do that. You must know how great and important the book Island of Wings: A Novel. All type of book can you see on many sources. You can look for the internet sources or other social media.

#### **Sherry Duncan:**

As we know that book is important thing to add our knowledge for everything. By a e-book we can know everything we wish. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This e-book Island of Wings: A Novel was filled regarding science. Spend your time to add your knowledge about your technology competence. Some people has diverse feel when they reading a book. If you know how big advantage of a book, you can feel enjoy to read a guide. In the modern era like currently, many ways to get book that you simply wanted.

#### **Sharon Wilson:**

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Island of Wings: A Novel can make you really feel more interested to read.
