Misha Holloway was born with a special gift. She has the ability to see the past, the present, and the future. When she enters the ministry, her gift becomes more apparent, and fearful church members don't understand. She is cast out of the church and begins a journey of self-discovery to find out who she is as a minister and a woman.

Bernard Taylor is a man with a personal struggle. On the outside, he is one of the biggest gospel artists in the country. Inwardly, he is in a desperate struggle, trying to hold on to his faith while still ministering to others. But something keeps luring him back to Atlanta.

Being led by the voice in her spirit, Misha's journey takes her to unimaginable places, where she brings hope to others—until an unexpected pregnancy stops her in her tracks. When Bernard and Misha cross paths, can these single ministers help each other survive the obstacles they face, or will they give up and turn their backs on all they believe in?
