Turkish: A Comprehensive Grammar is a complete reference guide to modern Turkish grammar. Concentrating on the real patterns of use in modern Turkish, it presents a detailed and systematic description of the structure of language at every level: sounds, words and sentences and will remain the standard reference work for years to come.

Drawing upon a rapidly growing body of scholarly research on Turkish, this well-presented *Grammar* is a stimulating and up-to-date analysis of the complexities of the language, with full and clear explanations and examples throughout. A detailed index and extensive cross-referencing between numbered subsections also provides readers with easy access to the information they require.

Features include:

- detailed treatment of common grammatical structures and parts of speech
- extensive use of examples, all with English translations
- particular attention to areas of confusion and difficulty
- comprehensive glossary of all grammatical terms.

The *Grammar* is an essential reference source for intermediate and advanced learners and users of Turkish. It is ideal for use in schools, colleges, universities and adult classes of all types.
