Julia Pretl's Big Book of Beadwork: 32 Projects for Adventurous Beaders Julia S Pretl

This volume brings together some of the best of Julia Pretl's bead collections. In this compilation of the author's previous three books, *Beaded Collars*, *Bead Knitted Bags*, and *Little Bead Boxes*, readers learn the author's original methods for beading miniature vessels, knit purses, and classic neck pieces. Pretl, an innovator of form and technique, offers instruction for creating four-, five-, and six-sided rectangular, square, and stacked miniature boxes; vintage-style bead-knitted handbags; and intricate neckpieces, inspired by the dramatic jewelry worn by the ancient Egyptians.

Each of the projects contains a materials list and instructions presented both in written and charted form. With detailed instruction and sequenced illustrations, the author provides clear, step-by-step guidance.
