This book, Kashmir Shaivism: the Secret Supreme, by the twentieth century's great philosopher saint Swami Lakshmanjoo, presents a systematic unfolding of the Tantric teachings of the ancient tradition of Kashmir Shaivism. This profound tradition, long enshrouded in secrecy, is so rich and detailed in its descriptions of what it reveals as the ascent of individual consciousness to universal God Consciousness that it has been characterized as 'a mystical geography of awareness'. Within the pages of this book is found the key of the oral tradition which unlocks its secrets and provides the reader with the tools necessary to venture into this wondrous landscape.
