Luigi Pirandello

Mundo de papel Vol. 2: (Cuentos para un año) (Otras Latitudes nº 29) (Spanish Edition) Luigi Pirandello

Publicamos por primera vez en España todos los cuentos que escribió Luigi Pirandello, Premio Nobel de Literatura 1934. Son la parte menos conocida de su producción literaria, pero es la que él más amaba y en la que trabajó desde su adolescencia hasta el final de su vida. Es en los relatos donde Pirandello se muestra más natural e imaginativo y contienen la clave de su gran capacidad para crear personajes.

Por la diversidad de temas, estilos y estructuras estos cuentos suponen un fresco, lleno de humor y ternura, de la Italia de la época —especialmente de su Sicilia natal—, que nos hace entender la cultura y la sociedad de aquel país, a la vez que representa la condición humana.

Pirandello escribía en una carta a su hermana: «Yo vivo por la alegría de ver narrar la vida desde mis páginas, extrayéndola de mi cuerpo, de mi sangre, de mi carne, de mi cerebro. Es un trabajo constante de destrucción para crear». Se había propuesto escribir 365 cuentos; fueron algunos menos porque una pulmonía se lo llevó de este mundo, como si fuese uno de los personajes de sus relatos.
