**From Book 1:** Madison is familiar enough with change, and she hates everything about it. Change took her long-term boyfriend away from her. It caused one of her friends to suddenly hate her. It's responsible for the death of a local along with a host of other mysterious happenings. But when Madison meets a hot new guy, she thinks her luck is about to improve. Madison is instantly drawn to the handsome and intriguing Isaac Addington. She quickly realizes he's a guy harboring a secret, but she's willing to risk the unknown to be with him. Her world really spins out of control, however, when her best friend becomes delusional, seeing things that aren't there and desperately trying to escape their evil.
