The Song of Roland

C. K. Scott-Moncrieff

The Song of Roland C. K. Scott-Moncrieff

Charlemagne's army is fighting the Muslims in Spain. The last city standing is Saragossa, held by the Muslim king Marsilla. Threatened by the might of Charlemagne's army of Franks, Marsilla sends out messengers to Charlemagne, promising treasure and Marsilla's conversion to Christianity if the Franks will go back to France. Charlemagne and his men, tired of fighting, accept his peace offer and select a messenger to Marsilla's court. Protagonist Roland nominates his stepfather Ganelon as messenger. Ganelon, who fears to be murdered by the enemy and accuses Roland of intending this, takes revenge by informing the Saracens of a way to ambush the rear guard of Charlemagne's army, led by Roland, as the Franks re-enter Spain through the mountain passes.
