*In this magic shop the magic is real. And the trick is on you.*

Citrus Glade is a dying town that needs new businesses, but the one that just opened is doing much more harm than good. Stranger Lyle Miller's magic shop seems to only stock what its select customers desire. When four outcast boys buy common party tricks, only Lyle knows what those tricks can really do. As subtle changes occur around town, a few residents realize that something is amiss...and getting worse. But it may already be too late. Lyle's black magic has empowered more townspeople to help him execute his Grand Adventure, a plan that will reduce the town, and half the state, to rubble.
