*What happens when the villain falls in love with the hero?*

Josie has just started a new job with gorgeous, billionaire Hollywood producer Archer Williams. There's an immediate spark of connection – and that's a problem.

Because Josie has a secret. She's being blackmailed into betraying her boss, and by the time the real job is over, he'll never want to see her again.

***Hollywood Hills* is a short, steamy romance. It contains *smoking hot* action between a Personal Assistant and a sexy Billionaire Hollywood Director. It includes raunchy scenes which are for adults only!**

It is book one in a four part series. It is a self-contained story, but is part of a larger storyline (so contains a minor cliffhanger). *Read the series if you like intelligent romance, extravagant gestures of love, references to 1950s musicals, and the sexy bits left in!*
