Ted Rueter

The 267 Stupidest Things Democrats/Republicans Ever Said Ted Rueter

A hilarious bipartisan collection of rants, malapropisms, doublespeak, and just plain idiocy from lifelong politicians and Washington wannabes.

Whether it's a Republican mayor on crime -- "The streets are safe in Philadelphia. It's only the people who make them unsafe (Frank Rizzo) -- or his Democratic counterpart on the same subject -- "Outside of the killings, Washington has one of the lowest crime rates in the country" (Marion Barry) -- political discourse is often off-course, not to mention unintentionally hilarious.

Wickedly funny when read from either direction, this book presents both Republican stupidity ("Approximately 80 percent of our air pollution stems from vegetation"-- Ronald Reagan) and matching head-slappers from Democrats ("For those who died [in the San Francisco earthquake], their lives will never be the same again" -- Barbara Boxer).

The 267 Stupidest Things . . is the perfect antidote to election-year bombast.

From the Trade Paperback edition.
