**The Chill** Ross Macdonald

In **The Chill** a distraught young man hires Archer to track down his runaway bride. But no sooner has he found Dolly Kincaid than Archer finds himself entangled in two murders, one twenty years old, the other so recent that the blood is still wet. What ensues is a detective novel of nerve-racking suspense, desperately believable characters, and one of the most intricate plots ever spun by an American crime writer.

*From the Trade Paperback edition.*
