Witness the Fall . . .

The nephilim couldn't be more fractured than what they are right now! They've lost loved ones and have been betrayed by the people closest to them. Their friendships have been tested and one by one they have turned on each other. They still need the seventh member to complete the full Chosen circle. Blinded by anger and grief, they are unable to focus on the task at hand.

The ultimate threat has arrived, Lilith, but she is not alone. With her comes a more sinister force that has ever been seen. The end is finally here.
