This Real Night (The Saga of the Century Book 2) Rebecca West

In the second installment of Rebecca West's Saga of the Century trilogy, Rose Aubrey, her sisters, and her cousin stand on the brink of adulthood and a new era for women

They have put down their schoolbooks and put up their hair, but a talented musician and her kin ponder what being a young woman on one's own will entail. Abandoned by their feckless father, Rose and her family must move beyond their comfortable drawing room to discover a world of kind patrons, music teachers, and concert hall acclaim, but also domestic strife, anti-Semitism, and social pressure to marry.

Set before World War I, Rebecca West's intimate, eloquent family portrait brings to life a time when women recognized their own voices and the joys of living off one's own talents.
