Tus pies también hablan (Spanish Edition) Georgette Rivera Aguilar
Identifica tu personalidad, el pasado y el futuro a través de los pies.

Los pies reflejan los secretos más recónditos del alma y la personalidad. Sus características y padecimientos, así como el tipo de calzado que preferimos, manifiestan las experiencias de nuestra alma en sus vidas pasadas, lo que nos depara el futuro y la información necesaria para mejorar el presente.

En este libro se hallará una explicación completa de la podomancia (la adivinación por la lectura de los pies) y su relación con otras artes adivinatorias; un análisis de las formas, colores, texturas y padecimientos de los pies, con sus respectivos significados; un examen de los tipos de pies y de calzado, así como información clave sobre ti y quienes te rodean.

Para esta nueva edición, la autora ha incluido nuevos capítulos y añadidos para profundizar en aspectos que van desde otras formas de adivinación hasta la importancia que en el lenguaje coloquial se le da a los pies y la manera de reconocer la actitud de una persona por su postura corporal.
