Sinclair Lewis

Doctor Arrowsmith (Otras Latitudes nº 25) (Spanish Edition) Sinclair Lewis

Esta novela, considerada una de las obras maestras de la narrativa norteamericana del siglo XX, recibió en 1926 el premio Pulitzer.

Como hijo y nieto de médicos, Sinclair Lewis tenía gran cantidad de conocimientos sobre el mundo de la medicina. El libro recorre la vida de Martin Arrowsmith, un tipo bastante común que entra en contacto con la medicina a los catorce años como asistente del médico en su ciudad natal.

Lewis narra de manera brillante el mundo de la investigación, y de las compañías farmacéuticas, así como las modestas ambiciones de muchos hombres y mujeres que tienen una gran vocación. Describe magistralmente muchos aspectos del mundo de la medicina, desde la formación hasta las consideraciones éticas, y nos muestra, con un tono satírico, las envidias, presiones y negligencias que a veces van asociadas a ese mundo. Esta novela, considerada como el antecedente de las numerosas teleseries que tienen a la medicina y a los médicos como tema central, ha tenido numerosas adaptaciones radiofónicas (una de ellas con Orson Welles como protagonista) y cinematográficas, entre las que destaca la que realizó John Ford en 1931.

«Artísticamente, Doctor Arrowsmith es un auténtico paso adelante. La novela está llena de pasajes inolvidables y la habilidad de Lewis para presentar personajes a través de los diálogos nunca falla»
The New York Times Book Review
