## La biografía definitiva de Miguel Ángel

A los treinta y un años ya se le consideraba el mejor artista de Italia, y probablemente del mundo; pero para sus enemigos Miguel Ángel era arrogante, zafio y extravagante. Durante décadas, se movió en el centro de la vorágine en la que la historia de Europa se vio sumida durante el paso del Renacimiento a la Contrarreforma.

Como un héroe de la mitología clásica #similar al Hércules que esculpió en su juventud#, fue sometido a constantes pruebas. Esta biografía, fruto de una investigación minuciosa y capaz de englobarlo todo #desde las cartas de la época y aquellas primeras biografías repletas de chismes, hasta las últimas investigaciones acerca de Miguel Ángel# tiene también, en sí misma, algo de epopeya.

Para Martin Gayford, el mayor logro de Miguel Ángel no estriba tanto en sus mejores obras como en su inmensa personalidad, que transformó para siempre nuestra noción de lo que puede llegar a ser un artista.

### La crítica ha dicho...

«Una muestra de la magnitud del personaje, y de la habilidad de Gayford a la hora de captarla, es que uno termina este libro deseando que Miguel Ángel hubiera vivido más tiempo y creado más.»

*Financial Times*

«Un libro cautivador, increíblemente bien contado y con un gran escritor al mando de un inmenso cuerpo de investigación.»

*Mail on Sunday*

«Sólo el más ambicioso biógrafo puede aceptar el desafío de reflejar el talento de Miguel Ángel Buonarroti.»

*The Times*

«Gayford capta el acto sutil y efímero de la creación artística con una habilidad y sensibilidad que pocos escritores poseen.»

*The Guardian*

«Una biografía perspicaz y finamente matizada, cuya lectura es tan irresistible como la de los anteriores libros de Gayford. A pesar de su tamaño, la obra es maravillosamente sintética y se precipita con elegancia a través de décadas repletas de acción que vieron a Miguel Ángel ir y venir de Florencia a Roma, pasando por las canteras de mármol de Carrara.»

*The Spectator*

«Es muy difícil abrirse paso en la espesura de años de estudios y decir algo nuevo sobre David, la Capilla Sixtina, El Juicio Final o muchas otras obras maestras de Miguel Ángel, pero Martin Gayford lo consigue, y nos invita a pensar y ver más allá de lo obvio.»

*Sunday Telegraph*
