Racine's Horlick Athletic Field: Drums Along the Foundries (Landmarks) Alan R. Karls

Launched in 1919 by William Horlick, the inventor of malted milk, Horlick Athletic Field has hosted two NFL teams, the Racine Belles professional women's baseball team (immortalized in "A League of Their Own)" and thousands of semiprofessional- and industrial-league games. But it is the drum and bugle corps shows that have made the stadium one of the most iconic landmarks in its corner of the state. From an archive of fond recollection and painstaking record, Alan Karls has pieced together a history of Horlick Athletic Field that justifies the reverence that drum and bugle corps have felt for the place for almost a century.
