In *Farlander*, the first book of the Heart of the World series, readers met Ash, an aging master assassin of the famed order of Roshun, and his apprentice Nico, a boy who always managed to be in the wrong place at the right time. Ash and Nico, one with failing health and the other with little training, were sent on a suicidal mission to fulfill a contract against the favored son of the Holy Matriarch, the ruler of Mann. The assassination of the Matriarch's son maintained the honor and reputation of the Roshun, but further destabilized a nation already beset by strife. For Ash, fulfilling the contract came at an enormous personal cost.

Now in *Stands a Shadow*, driven by grief and anger, Ash embarks on a journey that takes him through the Free Ports and towards the embattled city of Bar-Khos. He arrives at the city as the Holy Matriarch of Mann orders her forces to breach the walls of Bar-Khos and bring it under her control. Renouncing the ways of the Roshun, Ash disguises himself among the Mannian soldiers, determined to go to any lengths to have his revenge against the Matriarch. . . .

The Heart of the World series is an epic adventure that, through the lens of its vibrant and unique world and engaging characters, asks intriguing questions and illuminates the humanity at the core of both hero and villain. *Stands a Shadow* is the second book in the series.
