The Christian After Death

R. E. Hough

The Christian After Death R. E. Hough

Though dreaded, there is no topic which people are so reticent to speak about as death--and nothing in life which is more certain. Man cannot postpone what he ignores nor remove the terror from what he persists in forgetting. This is perhaps the last fear that is overcome in the heart of the child of God.

In an effort to help the believer face death with frankness, understanding and purpose, the author answers such pertinent questions as: What is death? Will the dead live again? What and where is heaven? Shall we know each other there? What is the resurrection, the nature of the resurrected body, and the believer's judgment? And most important--How do we prepare?

While reference is made to spiritual death, physical death is the primary subject of this study. Factual, scriptural, and well-organized, *The Christian After Death* offers hope, assurance, promise, and a challenge.
