## **Absurdistan** Eric Campbell

The highs and lows of being a reporter in some of the strangest, most dysfunctional places on Earth. Award-winning foreign correspondent Eric Campbell has been stoned by fundamentalists, captured by US Special Forces, arrested in Serbia and threatened with expulsion from China. He's negotiated dating rituals in Moscow, shared a house with a charismatic mercenary in Kabul and taken up smoking at gunpoint in Kosovo. In 2003 in Iraq he was injured in a suicide bombing which killed his colleague, cameraman Paul Moran. By turns provocative and thoughtful, ABSURDISTAN is a memoir about juggling life, love and fatherhood while reporting from some of the most dysfunctional places on Earth.
