It is both revealing and relevant, and at once thoughtful provoking and uplifting. Whether he is writing about Jay-Z or Barack Obama, addressing racial catastrophes or opportunities, or speaking about religion or the felicities of King's rhetoric, Dyson's intellect shines with insight and inspiration.

Can You Hear Me Now? captures Dyson's incredible facility with words, and his prodigious intelligence, at a time when he has gained greater fame as a public intellectual, university professor, best-selling author, and most recently, as one of the first prominent blacks to endorse President Barack Obama. The time is ripe for his wit, wisdom and worldview, and this book is Dyson's most accessible compendium of thinking on a broad range of topics that haunt and shape the nation.
