Get ready to spend some time with a suave high-flying rhino, a lovesick elephant who knows her way around a kitchen and a seriously chivalrous tiger . . .

With just two weeks to go before baby Edward's due date, yarn enthusiast Kerry Lord picked up a crochet hook for the first time and a new obsession began. Over the next 12 months the collection of crochet animals expanded week on week until *Edward's Menagerie* was complete with 40 unique patterns.

These cute animals with larger-than-life personalities are made using simple crochet techniques and the step-by-step instructions enable a complete beginner to get hooking straight away. Each animal also has a universal pattern where you can change your hook and yarn to create four different sizes, making 160 different possibilities.

Be warned that these unlikely characters made using a supersoft yarn in a sumptuous natural colour palette will become your new best friends as you hook your way through the whole menagerie!
