Surviving the attack proved to be more than they could have imagined...

Months after a super-EMP attack devastated the United States, the country is now unrecognizable. Major cities are run by gangs, survivors are dying of starvation and the government is falling victim to lawlessness. Those who were prepared for the end find that they weren't really prepared at all.

While some seek vengeance for their losses, others are determined to restore the nation. Gordon, Samantha, Sebastian, Barone, Connor and Pablo are all on different paths, but they are all in search of a home away from chaos. They are all in search of a sanctuary.
