## **The Museum of Innocence (Vintage International)** Orhan Pamuk

It is 1975, a perfect spring in Istanbul. Kemal and Sibel, children of two prominent families, are about to become engaged. But when Kemal encounters Füsün, a beautiful shopgirl and a distant relation, he becomes enthralled. And once they violate the code of virginity, a rift begins to open between Kemal and the world of the Westernized Istanbul bourgeoisie. In his pursuit of Füsün over the next eight years, Kemal becomes a compulsive collector of objects that chronicle his lovelorn progress—amassing a museum that is both a map of a society and of his heart. Orhan Pamuk's first novel since winning the Nobel Prize is a stirring exploration of the nature of romance.

*From the Trade Paperback edition.*
