Every culture has its own folklore of deadly creatures of the night. But what if these tales are actually based on fact? Now, the nightmare creatures are returning—and they are hungry. V-WARS chronicles the first Vampire War, from the savage murders committed by “patient zero” of the V-Virus plague, to full-out battles with vampire terrorist cells. New York Times best-seller and multiple Bram Stoker Award-winning author Jonathan Maberry enlists fellow masters of horror to report from the V-WARS frontlines in this epic, innovative, and most of all, thrilling novel of vampire vs. human conflict.
