Explorations in African Political Thought: Identity, Community, Ethics (New Political Science Reader Series)

Explorations in African Political Thought: Identity, Community, Ethics (New Political Science Reader Series)

This rich collection brings together many of the leading authorities on African political philosophy to present a variety of perspectives on this rapidly growing field. They seek to show that African philosophy can serve African people as a moral activity guided by the principles of practical reason in addressing problems of the basic structures of social, political, and economic institutions.
