Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Literary History of Sanskrit Buddhism : From Winternitz, Sylvain Levi, Huber can make you feel more interested to read.
