Soy Roca (Spanish Edition)

Félix Luna

Soy Roca (Spanish Edition) Félix Luna

Aunque por momentos pueda parecer una novela, este es un libro de historia que relata la etapa de mayores y más profundas transformaciones de la Argentina en la voz del general Julio A. Roca. Pues es el propio Roca quien cuenta su vida y su trayectoria, lo que permite al autor describir los fascinantes cambios que vivió a lo largo de su existencia quien fuera dos veces Presidente de la Nación y fundador de la Argentina moderna, diera impulso a la ley de Educación Común e incorporara la Patagonia como Territorio Nacional.

Para Luna significó uno de sus mayores desafíos personales, ya que para alguien formado en un hogar de ideología radical, Roca representaba todos los vicios del conservadurismo.

Anécdotas, chismes y hechos o personajes curiosos y olvidados devuelven a Roca la condición de un ser de carne y hueso con sus grandezas y debilidades, sus simpatías y antipatías, sus pasiones, y los rasgos de su circunstancia familiar y social; en suma, su dimensión humana.

Con esta obra Félix Luna reafirma la línea creativa que le sigue dando una vigencia extraordinaria en el público.
